

## FUTSAL NATIONALS FLOOD APPEAL

Organisers of the 32nd FFA Futsal National Championships will be holding a collection at the Grand Finals on Friday 14th January for the victims of the Queensland and Northern NSW flood disasters.

Volunteers will be circling the AIS Arena throughout the day with collection buckets to accept donations from spectators attending the Finals. With twelve teams representing Queensland and eight from Northern NSW attending the FFA Futsal Nationals, plus volunteers and referees also from the States, the tragedy has directly affected many involved with the tournament.

Participants and spectators are encouraged to give generously in support of the Queensland and Northern NSW Flood victims this Friday throughout Grand Final Day.

The Grand Finals of the 32nd FFA Futsal Nationals Championships commence at 08:00 and conclude with the Youth Women's Final at 19:00.
